NOTE.

IN future it is intended to publish the Directory in January of each year. This year the Directory is a little late owing mainly to the fact that so many medical men after registering change their addresses without notifying the same, and so make it very difficult to find them. In this connection it is necessary to remind those resident in Cape Colony that, unless the correct address is given, the name is liable to erasure from the Register. Doubtless also as other States perfect their system of registration the same will hold good elsewhere.

Another source of difficulty was the fact that to so many medical men in South Africa the idea of a Medical Directory was a new one. Those registered in the United Kingdom—speaking generally—replied at once, and correctly as well as concisely. Others, on the other hand, either failed to send any reply, or gave information which was not sufficiently explicit and which entailed much correspondence to get at what was required.

So far as it goes, the information in the Directory is perfectly reliable; but it is hoped to add much more information in the next edition, and to that end the co-operation of all medical men in South Africa is requested. Any suggestions in the way of improvement will be gratefully received by

THE EDITOR.

A C T

TO

Repeal Ordinance No. 82 of 1830, and to make provision for the
Licensing and Registration of Medical Practitioners, Apothecaries,
Dentists, Chemists and Druggists, Midwives and Nurses.—
[Assented to 18th August, 1891.]

Preamble.

BE it enacted by the Governor of the Cape of Good Hope, by and with the advice and consent of the Legislative Council and House of Assembly thereof, as follows :—

PART I.

PRELIMINARY.

Short title.

1. This Act may be cited as the “Medical and Pharmacy Act, 1891.”

Act to take effect when proclaimed by Governor. Section 8 to take effect at once after passing of Act. Interpretation of terms.

2. This Act shall take effect on such day as the Governor shall appoint by Proclamation in the *Gazette*, but the eighth section thereof shall take effect forthwith after the passing of this Act.

3. In this Act the following terms shall bear the following meanings :—

“Medical Practitioner” means every person duly admitted and lawfully entitled to practise in this Colony as a physician, surgeon or accoucheur, on the day before the taking effect of this Act, and also every person duly qualified by

licence and registration under this Act to practise as a physician and surgeon within this Colony :

" Chemist and Druggist " means every person duly licensed in this Colony on the day before the taking effect of this Act as an apothecary or chemist and druggist, and also every person duly licensed under this Act as a chemist and druggist and holding an annual licence as a chemist and druggist under Tariff 15 of the Act No. 20 of 1884 ;

" Dentist " means every person duly licensed and *bona fide* engaged on or before the 1st June, 1891, in the practice of dentistry or dental surgery in this Colony, either separately or in addition to his practice as a physician, surgeon, accoucheur, apothecary, or chemist and druggist, and also every person duly qualified by licence and registration under this Act to practise as a dentist within this Colony :

" Council " means the Colonial Medical Council established under this Act ;

" Board " means the Colonial Pharmacy Board established under this Act.

4. The Ordinance No. 82 of 1830 shall be repealed from and after the day appointed in terms of the second section of this Act, and the Act No. 15 of 1877, and any other law shall be read and construed as though this Act or the Colonial Medical Council were referred to in place and stead of the said Ordinance or the Colonial Medical Committee respectively, wherever the said Ordinance or Committee is referred to in the said Act or such other law.

Repeal of enactments.

Construction of Act 15 of 1877.

PART II.

CONSTITUTION AND GENERAL POWERS OF COLONIAL MEDICAL COUNCIL AND COLONIAL PHARMACY BOARD.

5. On the day of the taking effect of this Act the Colonial Medical Committee now established shall cease to exist, and on and after the said day there shall be established in this Colony

Establishment of a Colonial Medical Council and a Colonial Pharmacy Board.

(a) a body to be styled the Colonial Medical Council, and (b) a body to be styled the Colonial Pharmacy Board.

6. The Council shall consist of seven medical practitioners and one dentist, of whom three medical practitioners and the dentist shall be nominated by the Governor ; and four medical practitioners shall be elected by the medical practitioners of the Colony, in manner hereafter provided.

The Council to consist of seven medical practitioners and one dentist.

7. The Board shall consist of a member of the Council who may from time to time be deputed by the Council to act upon the Board, and five chemists and druggists, of whom two chemists and druggists shall be nominated by the Governor and three chemists and druggists shall be elected by the chemists and druggists of the Colony in manner hereafter provided.

The Board to consist of one member of Council and five chemists and druggists.

8. Members of the first Council or first Board, as the case may be, shall be elected in manner following :

Mode of election of members of first Council or first Board.

(a) On or before a date or dates, to be fixed by notice in the *Gazette*, every person then duly licensed and registered as a physician, surgeon, or accoucheur (in respect of the election of members of the Council), or as chemist and druggist (in respect of the election of members of the Board), as the case may be, may sign and deliver to such person as may be appointed for the purpose by such notice a written paper to the following effect :—

On the day fixed the voting papers shall be signed and delivered to the person appointed.

day of

18 .

Election of Member [or members, as the case may be,]

THE MEDICAL AND PHARMACY ACT, 1891.

of the Colonial Medical Council [or Colonial Pharmacy Board, as the case may be,]

I vote for _____ of _____ and _____ of _____
to be members of the Colonial Medical Council
[or Colonial Pharmacy Board, as the case may be,] for the period
expiring on the _____
day of _____ 18 _____

Signed

Voting papers may be sent per post; cannot be accepted after four o'clock p.m.; signature must be attested by a J.P.

Number of votes.

Person having majority of votes to be elected: person appointed to open and count votes shall certify number to Colonial Secretary. In case of equality, Colonial Secretary to have casting vote.

Term of office of members of the Council or Board to be fixed by Governor. Governor may remove any member or any member may resign. Mode of procedure in case of removal, death, or resignation of any member.

Governor to fix day of first meeting of first Council and first Board. At such meeting members present shall elect a president of the Council and a president of the Board, who shall hold office during membership.

Rights and powers of dentist member at meetings of Council.

Council and Board to make rules and regulations for the conduct of the business of its meetings.

(b) The said written paper may be delivered through the post, but no paper shall be accepted or counted which has not been delivered at the place appointed by such notice as aforesaid before four o'clock in the afternoon of the day fixed by that notice, or unless the signature to such paper is attested as genuine by some Justice of the Peace.

(c) Any person entitled to vote at such election may vote for as many candidates as there are members to be elected.

(d) Such person as is in sub-section (a) mentioned shall open and count the said written papers and the duly qualified person or persons, who shall have the greatest number of votes, shall upon his certificate addressed to the Colonial Secretary be, by notice in the *Gazette*, appointed members of the Council or Board as the case may be.

(e) In case of an equality of votes the Colonial Secretary shall have a casting vote.

9. The members of the Council or Board shall be nominated or elected as the case may be for such term not exceeding five years as the Governor shall think fit and shall specify in such notice as is provided in the last preceding section, and the Governor may at will, by notice in the *Gazette*, remove any nominated member and, at the request of the Council or Board, as the case may be, may, if satisfied that due cause exists for such removal, by like notice remove any elected member, and any member may resign by letter addressed to the President of the Council or Board, as the case may be, and upon the removal, death or resignation of any member, some other qualified person shall be nominated or elected in manner hereinbefore provided for the residue of the said term, but it shall be lawful for the Council, or Board, as the case may be, during such vacancy, to exercise the powers hereinafter mentioned.

10. The first meeting of the first Council and the first meeting of the first Board shall take place upon a day or days to be fixed by the Governor in the notice appointing the elected members as aforesaid, and at such meetings or any adjournment thereof, the members of the Council and of the Board respectively then present shall elect from among themselves a President of the Colonial Medical Council and a President of the Colonial Pharmacy Board, and the person elected to either of the said offices shall hold the same during the continuance of his membership of the Council or Board, as the case may be.

11. The dentist appointed as a member of the Council as aforesaid shall be entitled to be present at all meetings of the Council, but unless such dentist be also a qualified medical practitioner shall not be entitled to take part in the discussion of or to vote upon any question or matter brought before the Council unless it be by resolution of the majority determined to be a question or matter relating to dentistry or dental surgery; provided that such dentist shall, however, be qualified to vote for the election of some other member as President of the Council.

12. The Council and Board respectively may, from time to time, make such rules and regulations, to be approved of and published as in this Act is provided, as to the times and places of the meetings of the Council or Board, the mode of summoning the same, and the general regulation of business as shall seem expedient, and in the absence of any rule or regulation as to the summoning of meetings, the

President may summon a meeting of the Council or Board, as the case may be, at such time and place as to him shall seem expedient by letter addressed to each member.

13. At every meeting in the absence of the President some other member present shall be chosen to act as President, and all acts of the Council or Board shall be decided by the votes of the majority of the members present at any meeting, the whole number present being not less than four in the case of the Council, and three in the case of the Board, and at all meetings the President for the time being shall, in addition to his vote as a member, have a casting vote in case of an equality of votes.

Proceedings of meetings of Council or Board.

14. The Council or Board shall have power to appoint an executive committee out of their own body of which the quorum shall not be less than three, and to delegate to such committee such powers and duties vested in the Council or Board as the Council or Board shall think fit.

Council or Board may appoint executive committee.

15. The Council or Board may respectively from time to time appoint a Secretary at a reasonable salary, and may by resolution remove such Secretary from his office.

Council or Board may appoint a Secretary; and may by resolution remove him.

16. All future elections (after the first) shall be regulated by section 8, but medical practitioners, etc., entitled to vote shall be those defined by this Act.

Secretary to attest elector's signature. Act to apply also to Council or Board appointed after first election.

PART III.

LICENCES FOR MEDICAL PRACTITIONERS, DENTISTS, AND CHEMISTS AND DRUGGISTS, CERTIFICATES FOR MIDWIVES.

17. Every person who, on the day before the taking effect of this Act, shall be in this Colony

(a) Duly admitted and lawfully qualified to practise as a physician, surgeon, or accoucheur,

or (b) Duly licensed as an apothecary, or chemist and druggist,

and (c) Every person whosoever on or before the 1st June, 1891, shall have been in this Colony duly licensed as a dentist and *bona fide* engaged in the practice of dentistry or dental surgery, either separately or in addition to his practice as a physician, surgeon, accoucheur, apothecary, or chemist and druggist,

Subject to the proviso herein-after mentioned practitioners admitted qualified and licensed on the day before this Act takes effect shall be entitled to continue to practise without taking out licence required by this Act.

shall notwithstanding the passing of this Act, be entitled to continue to practise or carry on his calling as aforesaid without obtaining the licence referred to in the eighteenth and twenty-third sections, as the case may be, provided that

(1) The names, addresses, and qualifications of all such persons shall as soon as may be after the day appointed as aforesaid be entered in the register referred to in this Act.

(2) Every such person shall on and after the said day be amenable to all the provisions of this Act or of any law relating to physicians, doctors, surgeons, dentists, apothecaries or chemists and druggists, as the case may be;

Provided.

That their names, addresses and qualifications shall be registered as here provided. That they shall become amenable to the provisions of this Act.

That dentists shall be placed on the register upon production of a declaration setting forth his name, address, and qualification.

That no omission or mistake in register shall prejudice any person's right to practise if duly licensed and lawfully entitled.

After this Act takes effect no person shall be admitted or registered as medical practitioner or dentist unless he obtains the Colonial Secretary's licence on Council's recommendation, to whom the necessary diplomas and proof have been submitted. Penalty for false declaration. Governor may within three months of taking effect of Act grant a medical practitioner's licence to person who has for 20 years continuously practised, and with whose qualification he is satisfied.

Supreme Court may order issue of licence refused by Council.

Council shall make regulations prescribing what diplomas or certificates will be entertained in any application for a licence as a medical practitioner or dentist.

Military or naval medical officer may exercise his profession in such service without licence under this Act.

Medical practitioner may practise as an accoucheur, and

- (3) Every such dentist as aforesaid shall be placed upon the aforesaid register, upon production to the Secretary of the Council within two months after the aforesaid day of a declaration in the form in Schedule A to this Act, signed by him and setting forth his name and address, and his qualification, if any, for the practice of dentistry or dental surgery;
- (4) No omission of or mistake in any entry which should be made in the aforesaid register in accordance with paragraph (1) of this section shall be deemed to prejudice the right of the person, in respect of whose name, address, or qualifications such omission or mistake has occurred, to practise as aforesaid if duly licensed and lawfully entitled.

18. On and after the day on which this Act takes effect, no person shall be admitted to practise or be registered as a medical practitioner or dentist, unless he has obtained a licence signed by the Colonial Secretary on the recommendation of the Council; and previously to obtaining such licence, such person shall submit his diploma or other certificate of his being duly qualified to practise as a physician and surgeon, or as a dentist, as the case may be, for the examination and approval of the Council, who may require by sworn declaration before a justice of the peace or by other evidence such proof of identity and good character of such person, of the authenticity of such diploma or certificate, and of the right of the holder to practise elsewhere under such diploma or certificate, as they shall deem fit, and any person wilfully making a false statement in such declaration shall be liable to the penalties by law provided for the crime of perjury: Provided that the Governor may at any time within three months from the date of the taking effect of this Act, anything in this Act or any other law to the contrary notwithstanding, grant a licence to be admitted as a medical or dental practitioner to any person with whose qualification and experience he is satisfied, and who in the case of a medical practitioner before the said date, shall for a period of twenty years, and in the case of a dentist for a period of three years and upwards have been continuously practising as a physician, surgeon, accoucheur or dentist in this Colony, and the names of such persons shall thereupon be entered in the register referred to in this Act.

19. Where the Council have refused to approve of the diploma or certificate submitted in terms of the last preceding section by any person desirous of being registered as a medical practitioner or dentist, the Supreme Court, on application made to them by such person, may, after communicating with the Council, order that a licence be issued to the applicant, in case the Supreme Court shall be of opinion the Council have not adhered to the regulations in the next section mentioned, and the name of such applicant shall thereupon be entered in the register referred to in this Act.

20. The Council shall by regulations approved of by the Governor and published as in this Act is provided, from time to time prescribe and define what diplomas or certificates will be entertained by the Council in any application by any person to obtain a licence as a medical practitioner or dentist under this Act, and no diploma or certificate shall be included by the Council in such regulations which does not furnish in the opinion of the Council a sufficient guarantee of the possession by the holder of the requisite knowledge and skill for efficient practice as a medical practitioner or dentist as the case may be.

21. Notwithstanding anything to the contrary contained in this Act, any medical officer of Her Majesty's land or sea service may exercise his profession in such service, but not otherwise, without taking out such licence as aforesaid.

22. Every medical practitioner shall be entitled to practise as an accoucheur, and may compound and dispense medicines prescribed by himself or any other

medical practitioner with whom he is in partnership upon payment of the annual licence fee required by law to be paid by a chemist and druggist.

may compound and dispense medicines.

23. Any person who has attained the age of twenty-one years, and has been duly indentured and served as an apprentice for a period not less than four years to any regularly licensed apothecary, or chemist and druggist, in this Colony, or elsewhere, or who can produce satisfactory proof that he has been practically engaged in the compounding and dispensing of medicines on medical prescriptions under a duly licensed chemist and druggist for a period of not less than four years then last past, may obtain a licence to practise as a chemist and druggist, on passing an examination to the satisfaction of the Board, in any subjects fixed by the Board with the approval of the Governor, and such examination may be held before the Board or any members thereof appointed for the purpose by the Board, or before one or more members of the Board, or such other persons as the Board may appoint as examiners in accordance with regulations relative to such examinations to be made by the Board, and to be approved of and published as in this Act is provided; provided that the Board may, in accordance with such regulations, accept as sufficient proof of proficiency in any subject a certificate from the Secretary of the University Council that the person referred to in such a certificate has satisfactorily passed a University examination in such subject.

Who may obtain a licence to practise as chemist and druggist; the qualifications required and the examination to be passed.

24. No person shall be admitted as a candidate at such examination unless he shall have satisfied the Board that he is entitled to be examined, and unless he shall have paid such fee for such examination, not exceeding five pounds, as may be prescribed by such rules and regulations as aforesaid.

Candidate to satisfy Board he is entitled to be examined, and to pay a fee not exceeding £5.

25. Any person who holds a certificate or diploma of competency as a pharmaceutical chemist or as a chemist and druggist from the Pharmaceutical Society of Great Britain, or from any college, society, or board recognised by the Board under such regulations, made, approved, and published as aforesaid, may, if otherwise complying with the provisions of this Act and of such regulations, without further examination, obtain a licence of admission to practise as a chemist and druggist in this Colony.

Certain duly qualified pharmaceutical chemists, chemists and druggists, may on complying with provisions of this Act, without further examination, obtain a chemist's and druggist's licence.

26. All licences aforesaid issued to chemists and druggists shall be signed by the Colonial Secretary upon the recommendation of the Board.

Colonial Secretary to sign all chemists' and druggists' licences upon recommendation of Board.

27. The Council may in accordance with regulations, approved of by the Governor, grant certificates of competence in midwifery:

Council may grant certificates of competence in midwifery to females holding certificate or diploma, or if satisfied of her competence, skill and fitness.

- (a) To any female who is the holder of a certificate or diploma as a midwife granted by any one of such examining bodies as the Council may from time to time prescribe and define.
- (b) To any female who shall satisfy the examiners thereto appointed by the Council of her competence, skill and fitness in and for the practice of a midwife's calling.

Every such certificate shall entitle the holder to practise midwifery according to regulations to be framed by the Council from time to time, and shall be signed by the President and Secretary of the Council, and shall be entered in a register to be kept for that purpose, in connection with and as part of the register provided for in this Act.

Midwifery certificates to be signed by President and Secretary and registered.

28. The Council may from time to time frame rules and directions regulating the steps to be taken by medical practitioners and certificated midwives, for preventing the spread of puerperal fever, or any other similar disease. A copy of such rules shall from time to time be supplied by the Council, to all medical practitioners, certificated midwives, and to all persons applying for the same. And if it be proved that the holder of any certificate issued in terms of the last section has wilfully disobeyed or disregarded the said rules and directions, or is grossly

incompetent, or has been guilty of such improper conduct as, in the opinion of the Council, renders it inadvisable that she should continue to practise as a certificated midwife, then it shall be lawful for the Council to withdraw and cancel such certificate. Any medical practitioner or certificated midwife, who shall contravene any of such rules and directions as aforesaid, shall be liable on conviction to pay a fine not exceeding thirty pounds, or failing payment of such fine to imprisonment with or without hard labour for a period not exceeding three months.

Penalty for falsely pretending to be a certificated midwife.

29. Any female who shall falsely pretend to be a certificated midwife, or who shall falsely use or adopt any name, title, or description implying that she is a certificated midwife, under this Act, shall be liable to a fine not exceeding twenty-five pounds, or in default of payment to imprisonment, with or without hard labour, for any period not exceeding three months.

Council may grant certificates of competence as trained nurses.

30. The Council may, in accordance with regulations approved of by the Governor, grant certificates of competence as trained nurses :

To holder of certificate as a trained nurse.

(a) To any person who is holder of a certificate as a trained nurse, granted by any one of such examining or other bodies as the Council may from time to time prescribe and define.

To any person who shall otherwise satisfy the Council as to her competence, skill and fitness.

(b) To any person who shall satisfy the examiners thereto appointed by the Council of his or her competence, skill and fitness in and for the occupation of nursing, and who shall in addition produce proof by certificate or otherwise of having had sufficient training in nursing work, under competent supervision.

Certificates to be granted and signed and registered in same way as midwifery certificates.

Every such certificate shall be granted and signed in manner hereinbefore provided in the case of midwifery certificates, and shall be entered in a register to be kept for that purpose, in connection with and as part of the register provided for in this Act.

Council may withdraw or cancel trained nurse's certificate if holder grossly incompetent or guilty of improper conduct. Penalty for falsely pretending to be a trained nurse.

31. The Council may at any time withdraw or cancel a certificate granted to a trained nurse, if it shall be proved that the holder is grossly incompetent, or has been guilty of such improper conduct as, in the opinion of the Council, renders it inadvisable that he or she should continue to practise as a trained nurse.

And any person who shall falsely pretend to be a trained nurse, registered under this Act, or who shall falsely use or adopt any name, title or description, implying that he or she is such a registered trained nurse, shall be liable to all the penalties set forth in section twenty-nine of this Act.

Council shall publish in January in each year list of certified midwives and trained nurses, with addresses.

32. The Council shall, in the month of January in each year, publish in the *Gazette*, a list showing :—

(a) The names of all holders of certificates as certificated midwives on the 31st December last preceding.

(b) The names of all holders of certificates as trained nurses on the said date. And such list shall, wherever possible, state the addresses of such holders.

Females not disqualified from admission as medical practitioners, &c., &c.

33. No person shall be deemed to be disqualified to be duly admitted, licensed, and registered to practise as a medical practitioner, dentist, or chemist and druggist, merely by reason that such person is a female.

Person licensed or registered under false or fraudulent representation, and person aiding him, liable to imprisonment.

34. Any person who shall wilfully procure or attempt to procure himself or any other person to be licensed and registered under this Act, by making or producing or causing to be made or produced any false or fraudulent representation, either verbally or in writing, not amounting to the crime of perjury, and every person aiding and assisting him therein, shall on conviction thereof, be liable to be imprisoned with or without hard labour for any term not exceeding twelve months.

35. Any person who shall wilfully and falsely pretend to be, or take or use the name or title of a physician, doctor of medicine, licentiate in medicine or surgery, bachelor of medicine, surgeon, general practitioner, or apothecary, or dentist, or chemist and druggist, or any name, title, addition, or description implying that he is licensed or registered under this Act, or that he is duly qualified to practise as a physician, or surgeon, or licentiate in medicine and surgery, or a practitioner in medicine, or an apothecary, or a dentist, or a chemist and druggist, and any person who shall practise as a medical practitioner, dentist, or chemist and druggist, without such licence as aforesaid, shall be liable to a fine not exceeding one hundred pounds for each offence, and in default of payment, he shall be liable to be imprisoned with or without hard labour for a period not exceeding six months, unless such fine be sooner paid.

Any person falsely using professional titles, or implying that he is licensed or registered, or qualified; and any person practising without a licence as medical practitioner, dentist, or chemist and druggist shall be liable to certain penalties.

And no person who is charged with a contravention of this section for practising as a dentist, or a chemist and druggist, without a licence shall be acquitted, by reason of the fact that he is in the employ of, or is agent for, a person duly licensed to practise as aforesaid, unless he is under the actual personal supervision and control of some duly licensed dentist, or chemist and druggist, as the case may be.

PART IV.

REGISTER OF MEDICAL PRACTITIONERS, DENTISTS, CHEMISTS AND DRUGGISTS, CERTIFICATED MIDWIVES.

36. There shall be kept in the Office of the Colonial Secretary a correct register of the names, addresses, date of admission, licence, or certificate, and qualifications of all

Register to be kept in the Colonial Secretary's Office.

- (1) Medical Practitioners,
- (2) Dentists,
- (3) Chemists and Druggists,
- (4) Certificated Midwives,

and (5) Trained Nurses in this Colony; which register shall be kept in five corresponding parts;

and the person appointed by the Colonial Secretary to keep such register shall make entries therein in accordance with information to be from time to time supplied by the Secretary of the Council in respect of medical practitioners, dentists, certificated midwives and trained nurses, and by the Secretary of the Board in respect of chemists and druggists, and shall from time to time erase the names of all registered persons reported to him by the Secretary to the Council or Board, or known to him to have died, and shall from time to time make necessary alterations in the addresses or statements of qualification of the persons registered under this Act: and to enable the register to be properly kept, it shall be lawful for the Secretary to the Council or Board to write and forward a duly registered letter to any registered person addressed to him according to his address on the register, to inquire whether he has ceased to practise or has changed his residence, and if no answer shall be returned to such letter within the period of six months from the sending of the letter, it shall be lawful to erase the name of such person from the register: provided, always, that the same may be restored at the request of the Council or Board, as the case may be, and that the erasure of his name under this section shall not be deemed to disqualify any person duly licensed or certified from practising the profession or carrying on the calling in respect of which such person is duly licensed or certified.

Manner in which register is to be kept and duty of person keeping it.

In case of six months' delay in replying to a letter from the Secretary name to be erased.

37. Every person registered under this Act, who may have obtained any degree or qualification other than the degree or qualification in respect of which he may be registered, may have such other degree or qualification inserted in the register

Registered person who may have obtained any other degree or qualification.

eration may have the same inserted in the register on paying a fee.

in substitution for or in addition to the degree or qualification already registered at the request of the Council or Board, as the case may be, and on payment of such fee as may be prescribed by regulations made by the Council or Board, as the case may be and approved of and published as in this Act is provided.

No degree or qualification whatever shall be entered in register unless Council or Board be satisfied that the person claiming it is entitled to it.

38. No degree or qualification shall be entered on the register, either on the first registration or by way of addition to a registered name or as in the last section mentioned, unless the Council or Board, as the case may be, be satisfied by the proper evidence that the person claiming is entitled to it, and any entry which shall be proved to the satisfaction of the Council or Board to have been fraudulently or incorrectly made may be erased from the register : provided that a record of the reason for every such erasure shall be signed by the Under Colonial Secretary and kept in the Office of the Colonial Secretary.

The name of any person who has become or is disqualified, or whose name has been struck off the Hospital, University or College roll, may be erased from the register.

39. The Colonial Secretary shall at the request of the Council or Board, as the case may be, cause to be erased from the register the name of any person who either before or after the passing of this Act may have been declared disqualified for practice by or whose name may have been struck off the roll, register or record of the Hospital, University, College or other body in this Colony or elsewhere from which such person received any diploma, degree, certificate, or other instrument upon the faith of which such person was admitted to practise or obtained a licence in this Colony, and thereupon such person shall no longer be deemed to be a medical practitioner, dentist, or chemist and druggist, as the case may be ; provided that the Colonial Secretary, before causing the name of such person to be erased shall be satisfied that such person has, if possible, had an opportunity of showing cause before the Council or Board, as the case may be, why his name should not be erased from such register.

Person guilty of infamous or disgraceful conduct may be struck off the register, and have his licence withdrawn and cancelled by the Governor. Name of such person may be restored. No person erased from register shall be qualified to practise merely by possession of licence or certificate.

40. If any person licensed or certified under this Act shall, after due enquiry, at which he shall have an opportunity for being heard, be judged by the Council or Board, as the case may be, to have been guilty of infamous or disgraceful conduct in any professional or other respect, the Governor may, if he see fit, direct that the name of such person be erased from the register, and that his licence be withdrawn and cancelled, and the Council or Board, as the case may be, shall make such enquiry upon information or complaint laid by any member of the public ; provided that the name of such person may be restored thereafter to the register on the request of the Council or Board, as the case may be, and provided that no person whose name shall be erased from the register under this or the last preceding section shall be deemed, merely by reason that such person shall remain in possession of a licence or certificate, to be qualified, licensed, or certified to practise the profession or carry on the calling to which such licence or certificate relates.

Licence fraudulently obtained to be void.

41. Any licence or certificate obtained either before or after the taking effect of this Act by means of any false or fraudulent representation or by personation, shall be void, and any person holding or practising by virtue of any such licence or certificate shall be liable to the penalties provided by the thirty-fourth section of this Act, for practising without a licence.

Penalty.

PART V.

KEEPING AND SALE OF POISONS.

The articles named and described in Schedule B deemed to be poisons.

42. The several articles named and described in Schedule B to this Act shall be deemed to be poisons within the meaning of this Act, and the Council or Board may from time to time, by resolution, declare that any article in such resolution named ought to be deemed a poison within the meaning of Division I

or Division II of the said Schedule of this Act, and thereupon such resolution shall be submitted through the Colonial Secretary for the approval of the Governor, and if such approval shall be given, then such resolution and approval shall be published in the *Gazette*, and on the expiration of one month from such publication the article named shall be deemed to be a poison accordingly within the meaning of this Act.

Council or Board may from time to time declare other poisons.

43. All medical practitioners, chemists and druggists shall label all vessels, boxes, bottles, wrappers, or packages in their possession and containing poisons, as enumerated in Schedule B to this Act, with the word "Poison" and shall exercise due care and caution in the custody of the same.

All poisons to be labelled "Poison" and due care and caution exercised in their custody.

44. If any medical practitioner or chemist and druggist shall suffer such poisons as aforesaid to be kept without due care, or shall sell or keep for sale by himself or any apprentice, servant or agent, any medicines or drugs of bad quality, he shall be liable to a fine not exceeding twenty pounds, or in default of payment to be imprisoned with or without hard labour for any period not exceeding three months, unless such fine be sooner paid, and the person convicted shall further become liable to withdrawal and cancellation of his licence if the Governor shall deem it fit to withdraw or cancel the same.

Penalties on chemist and druggist failing to exercise due care, and for selling or keeping for sale drugs of a bad quality.

45. Poisons, within the meaning of this Act, shall not be sold by any person other than a duly licensed apothecary, or chemist and druggist, or the indentured apprentice or *bona fide* paid assistant of such apothecary or chemist and druggist: provided that nothing herein contained shall be deemed to limit the operation of the twenty-second section of this Act. But nothing in this section contained shall prevent the sale of any poison by an importer or general dealer to any other importer or general dealer, or to any medical practitioner or chemist and druggist.

Poisons shall only be sold by licensed apothecary, chemist and druggist, or by their indentured apprentice or paid assistant. Exception.

46. Notwithstanding anything in the last preceding section contained it shall be lawful for any importer or general dealer upon obtaining a certificate from the Resident Magistrate of the district in which he carries on his business as such importer or general dealer to the effect that in the opinion of the said magistrate he is a fit and proper person to deal in poisons under the terms of this section, to keep for sale and to sell arsenic or any compounds thereof in quantities of not less than one pound weight, and strychnine, or any compounds thereof in unbroken vials properly corked and sealed, and labelled with the name of the article and bearing the name of the person or persons by whom such article was in the first instance made up for sale.

Certificate to importer or general dealer to sell certain poisons.

47. No such importer or general dealer, as is in the last section mentioned, shall sell or dispose of any poison therein specified, unless he is satisfied that the person obtaining the same requires it for the destruction of wild animals or vermin, or for the treatment of scab or other disease in animals.

Poisons to be sold only if required for certain purposes.

48. Every such importer or general dealer as aforesaid shall, in regard to every such sale or disposal, enter in a book to be kept for that purpose:

Book of sale of poisons to be kept.

- (a) The date of the sale or disposal;
- (b) The nature and the quantity of the poison disposed of;
- (c) The name of the purchaser;
- (d) The purpose for which the poison was required;

and shall allow the said book to be at any time inspected by the Resident Magistrate of the district, or any person authorised by the said magistrate in writing. And any importer or general dealer contravening the provisions of this or the last preceding section, shall be liable to a fine not exceeding fifty pounds.

49. If any person not being a medical practitioner, or chemist and druggist, shall keep in his possession, or under his control, any poison, without exercising all due care and caution in the custody of the same, he shall be liable to a fine of

Penalty.

50. Every chemist and druggist, and the indentured apprentice or *bona fide* paid assistant of such chemist and druggist, may sell poisons, within the meaning of this Act, under the following conditions, but no other :

- (a) If the box, bottle, vessel, wrapper or cover in which any poison is contained on delivery to the purchaser be, in every case of sale of any such poison, distinctly labelled with the name and address of such chemist and druggist, with the name of the article and the word "Poison" ;
- (b) If the sale be by wholesale in the ordinary course of trade or business, on an order in writing signed by the purchaser ;
- (c) If the sale be to a person producing the prescription of a medical practitioner prescribing any poison now enumerated or hereafter added to the list of poisons named in Division I of Schedule B to this Act, in manner provided by the forty-second section of this Act, and if an entry be made in a book, called the Prescription Book, to be kept for that purpose, setting forth in separate columns the date of sale, the name and address of the purchaser, and the ingredients and quantities of the prescription ;
- (d) If no such prescription by a medical practitioner be produced, if an entry be made in a book called the Poisons Book to be kept for that purpose, in lieu of the ingredients and quantities aforesaid, a statement of the quantity sold and the purpose for which such poison is stated to be required, and if such entry shall, in case the purchaser be not known to the seller, and in case the poison sold be a poison now enumerated or hereafter added as aforesaid to the list of poisons named in Division I of Schedule B to this Act, be before delivery of the poison, signed by the purchaser, and also by some person, known to the seller, who shall have introduced the purchaser to the seller.
- (e) If the contract for the sale of any poison now enumerated or hereafter added as aforesaid to the list of poisons named in Division I of Schedule B to this Act, and if the seller shall keep the correspondence from the purchaser relative to such sale, shall make such entry of all particulars as aforesaid in the aforesaid book, and shall either be acquainted with the signature of the purchaser or shall receive and keep a written attestation by some Resident Magistrate, Justice of the Peace, or Minister of Religion of the genuineness of such signature,

51. Any person convicted of a contravention of any provision of the forty-fifth or fiftieth sections of this Act shall be liable to a fine not exceeding fifty pounds sterling, or in default of payment to imprisonment with or without hard labour for any term not exceeding three months, and every chemist and druggist shall be responsible for every act or default of any apprentice, clerk, servant, or agent in his employment other than a person entitled to take out an annual licence as a chemist and druggist, in respect of the improper sale of any poison in breach of any provision of either of the said sections, in case the said act or default was due to negligence on the part of such chemist or druggist in supervising the conduct of such apprentice, clerk, servant or agent.

52. The book kept by every chemist and druggist in manner provided in subsection (d) of the fiftieth section of this Act shall be submitted forthwith upon demand for the inspection of the Secretary of the Board, or of any person authorised by him in writing under his hand, and any such apothecary or chemist and druggist who personally or by any apprentice, clerk, servant or agent employed

by him shall fail forthwith upon demand to produce such book for inspection, shall be liable upon conviction to a fine not exceeding twenty pounds sterling, and in default of payment to imprisonment with or without hard labour for any period not exceeding three months, unless such fine be sooner paid. which a penalty will be imposed.

53. If any person purchasing any poison, within the meaning of this Act, shall give false information to the seller in relation to the particulars which the seller is authorised to require, or if any person sign as witness to the sale of any such poison to a person unknown to such witness, or if any person fail to comply with any provision of this part of this Act for which no specific penalty is provided, every such person shall on conviction be liable to a fine not exceeding twenty pounds sterling, and, in default of payment of such fine, to imprisonment with or without hard labour for any term not exceeding three months. Penalty on purchaser of poison giving false information : signing as a witness to an unknown person, or failing to comply with provisions of this Act.

54. The preceding provisions of this part of this Act shall not apply to the sale of : Certain sales of poison exempted from this part of this Act.

- (d) Medicines dispensed by veterinary surgeons or farriers for animals under their treatment.
- (e) Fly poison papers when duly marked as such ;
- (f) Any poison supplied by the chairman or secretary of any poisoning club to any member of a poisoning club for the purpose of destroying wild animals or vermin ;

Provided that particulars of all such sales shall be entered in a book by the seller, and that the box, bottle, vessel, wrapper or cover in which such poison is immediately contained, shall be labelled in manner provided by the forty-third section of this Act. Proviso.

PART VI.

MISCELLANEOUS.

55. It shall be lawful for the Secretary of the Council or Board, as the case may be, or any person duly authorised in writing under the hand of the President, to take and institute any proceedings, civil and criminal, on behalf of the Council or Board, but nothing herein contained shall be deemed to deprive any person of any right which, but for this section, he would have to institute any proceedings, civil or criminal, against any other person. Institution of legal proceedings, either civil or criminal.

56. If in any proceedings, civil or criminal, it shall be material to determine whether any person be or be not, in any capacity, duly licensed or certified under this Act, a certificate, under the hand of the Under Colonial Secretary to the effect that such person is or is not, as the case may be, duly licensed and registered in such capacity, shall be deemed and taken to be sufficient *prima facie* proof of the fact alleged in such certificate. Certificate of Under Colonial Secretary *prima facie* proof of licence and registration under this Act.

57. The Council shall be deemed to be concerned with and interested in matters arising out of or in connection with so much of this Act as deals with medical practitioners and dentists, and the Board shall be deemed to be concerned with and interested in matters arising out of or in connection with so much of this Act as deals with apothecaries and chemists and druggists.

Council concerned with medical practitioners and dentists. Board concerned with apothecaries and chemists and druggists.

Rules and regulations shall be of legal validity only when approved and published by the Governor.

58. All rules or regulations by this Act authorised to be made by the Council or the Board shall be of legal validity only when approved of and published by the Governor by notice in the *Gazette*, and by such regulations penalties for the breach thereof may be prescribed not exceeding in any case a fine of ten pounds sterling.

For purposes of any inquiry the President of Council or Board may administer the oath; false testimony punished as perjury.

59. For the purpose of any inquiry by the Council or Board authorised by this Act, it shall be lawful for the President for the time being of the Council or Board, and any person who shall wilfully give false testimony on oath as to any matter material to any such inquiry, shall be guilty of a contravention of this section, and be liable to the punishments by law provided for the crime of perjury.

Only licensed registered persons entitled to recover any charge in any court of law for medical advice and medicines, etc.

60. No person shall be entitled to recover any charge in any court of law for any medical or surgical advice, attendance, or for the performance of any operation as a medical practitioner or dentist, or commonly performed only by a medical practitioner or dentist, or for any medicine which he shall have prescribed or supplied, unless he shall prove upon the trial that he is licensed under this Act.

Only licensed registered persons to be medical officer or apothecary in any hospital or other public establishment or society.

61. No person shall hold any appointment as a physician, surgeon, or other medical officer, or as an apothecary or compounder of any medicines in any hospital, or in any lunatic asylum, convict station, house of correction, or other public establishment or institution, or to any friendly or other society for affording mutual relief in sickness, infirmity or old age, or as a medical officer of health, unless he be licensed and registered under this Act as a medical practitioner, or as a chemist and druggist, as the case may be.

No certificate required by law from medical practitioners valid unless signed by licensed registered person.

62. No certificate required by any law, now or hereafter in force, from any medical practitioner shall be valid unless the person signing the same be licensed and registered under this Act.

Fees for admission or licensing to be paid to Council and Board, who shall administer the fund.

63. The Council and the Board shall respectively administer for the purposes of this Act such funds as may be derived from fees or charges payable under this Act, or any law, or under any regulations made under this Act, in respect of the admission or licensing of medical practitioners, dentists, chemists and druggists, which fees or charges shall be paid over to the Council and the Board respectively; and the administration of such funds shall be duly accounted for and audited in manner by law provided in respect of the administration of further funds, as the case may be.

All regulations to be approved by Governor and published in *Gazette*.

64. All regulations framed under the provisions of this Act shall be approved by the Governor and published thereafter in the *Gazette*, and shall take effect only after such approval and publication.

SOUTH AFRICAN REPUBLIC.

ACT No. 12, 1886,

TO

Provide for the admission of duly qualified persons to practise in this Republic as physicians, surgeons and accoucheurs, apothecaries, chemists and druggists, and for the better regulation of the sale of drugs and medicines. (*) (Sanctioned and enacted by resolution of the Hon. the Volksraad, Art. 1,313, dated 5th August, 1886.)

WHEREAS it is desirable that those who require medical help, be enabled to discern between qualified and unqualified practising physicians, and that for the safety of the inhabitants provision be made for the sale of poison in this Republic, and to provide for the admission of duly qualified persons to practise in this Republic as physicians, surgeons and accoucheurs, apothecaries, chemists, druggists, and for the better regulation of the sale of drugs and medicines : Preamble.

And whereas it is further desirable to repeal Schedule No. 18, "Physicians and Surgeons," of Ordinance No. 2, of 1871, (°) entitled "Fixing of, and regulations about licences, stamp-duty and salaries, to which several persons and colleges, appointed or admitted by Government, are entitled, sanctioned by resolution of the Volksraad, Art. 305, dated 8th November, 1871" :

Be it enacted as follows :

Art. 1.—Schedule No. 18—"Physicians and Surgeons" of Ordinance No. 2 of 1871 (†) entitled : "Fixing of and regulations about licences, stamp-duty and salaries, to which several persons and colleges, appointed or admitted by Government, are entitled, sanctioned by resolution of the Volksraad, Art. 305, dated 8th November, 1871," by which certain monies, expenses and remuneration for physicians and surgeons are fixed and defined, shall be repealed and is hereby repealed. With this stipulation, that this repeal does not relate to anything done or allowed on any acquired right or privilege or duty of responsibility, imposed or caused, or reward secured before the passing of this Act, under and by virtue of the repealed schedule. Sched. 18, Ord. No. 2, 1871, repealed.

Art. 2.—The State President shall have the right to appoint a committee of three or more persons, duly qualified to practise the medical art or to dispense medicines, called "Medical Committee of the South African Republic," and which shall have the supervision of the civil medical interests in the Republic, subject to the undermentioned provisions ; and the President shall be at liberty, if he thinks fit, to dismiss members of the board, or in case of resignation, removal, absence, incompetency or death of one or more of them, to appoint another or others, as he thinks fit, in their place. Authority of the President.

(°) See Wetboek, page 440.

(†) See *ib, ib* (Act No. 8, 1881) and *ante* page Act No. 2, 1886.)

Physicians and chemists must be licensed.

Diploma or certificate to be handed in.

Unlicensed person not entitled to recover by law.

Admittance of apothecaries.

List of admitted physicians and chemists.

Register of physicians admitted under this Act to be published in *Staatscourant*.

Fine or imprisonment for false representation in order to be appointed a physician or apothecary.

In which cases licenses granted can be withdrawn.

Notice in *Staatscourant*.

Bottles or parcels, containing poison, to be marked as such.

Keeping and selling poison.

Penalty.

Art. 3.—Anyone, who after this wishes to be admitted to practise as physician, surgeon and accoucheur, or to dispense medicines or drugs as apothecary, chemist or druggist, must for that purpose have a license from the State President. And anyone who wishes to practise as abovementioned shall, in order to obtain such a license, submit his diploma or other certificate for examination and approbation of said Committee, in order to prove that he is really qualified for such a branch or branches of the medical profession as he professes.

Art. 4.—Anyone, who without having a license renders medical, surgical or obstetrical services and demands payment for his or her services, shall not be entitled to the protection of the law for recovery of remuneration for his or her services.

Art. 5.—Anyone, having served as apprentice to a duly licensed apothecary in this State for not less than four years, shall obtain a license in order to practise as apothecary after passing an examination before said Committee and to the satisfaction of its members.

Art. 6.—It shall be the duty of the Medical Committee of the South African Republic to frame as soon as possible after the passing of this Act, a list of all who, before the coming into effect of this Act, have been admitted to practise as physicians, surgeons and accoucheurs; or to dispense or to retail medicines and drugs as apothecaries, chemists and druggists in the State. It shall also be the duty of said Medical Committee to keep a register of all who have been admitted, under the provisions of this Act, to practise any branch of the medical profession, and to make a copy of same, to be published in the *Staatscourant* at least once in the month of January yearly. This list or this register shall be framed and be kept as much as possible in accordance with the form in the schedule of this Act, or to the same effect.

Art. 7.—Anyone, having himself appointed wilfully, or trying to have himself appointed or registered under this Act, by making or exhibiting false or fraudulent representations, either verbally or in writing, shall be considered for such transgression, together with everyone else who helps and assists him, to be guilty of a crime or violation, punishable by fine or imprisonment, and, after having been found guilty, shall be sentenced to a fine not exceeding twenty-five pounds sterling, and in case of non-payment, to imprisonment, with or without hard labour, for the period of not more than six months.

Art. 8.—If a registered practising physician, duly admitted under the provisions of this or a previous Act to practise in any branch of the medical profession, shall be found guilty of any crime or violation, or after proper enquiry of the Medical Committee, appointed by law, shall be found guilty of disgraceful conduct in his capacity as physician, then the Committee shall recommend the State President to revoke and annul the license, granted to such person. Thereupon the State President shall have the right, if he thinks fit, to revoke and annul said license, and to notify such in the *Staatscourant*. Thereupon the name of such physician shall be struck off the register.

Art. 9.—Any apothecary, chemist, druggist and vendor of medicines shall mark all bottles or parcels, in which arsenic, opium and such like powerful medicines generally called poison, with the name of the contents and the word POISON; keep the same in safe places and under lock and key, and take care that the same be not sold in dangerous measure or quantity without the written permission of a landdrost, or the order of an acknowledged physician. And if it appears that an apothecary or vendor of medicines leaves such poisonous or dangerous medicines without proper care, or sells them in dangerous measure or quantity without written permission or power as aforesaid, or keeps spoiled medicines or drugs to sell the same, he shall, after conviction, be fined not less than five pounds sterling and not more

than twenty-five pounds sterling, and in case of non-payment be kept in prison, with or without hard labour, for a period not exceeding six months.

Art. 10.—An apothecary, chemist, druggist or vendor of medicines, who supplies a child under the age of 10 years, either by selling or in order to carry it, with a preparation of arsenic, opium or other powerful medicine, generally called poison and thus dangerous, shall forfeit a fine not exceeding ten pounds sterling, and not less than one pound sterling for every contravention. Penalty for supplying poison to children under 10 years.

Art. 11.—Any apothecary, chemist, druggist, or vendor of medicines shall write in a book to be kept by him for that purpose the name of the person to whom poison is sold or given in a quantity or of a kind that is dangerous to life, the name and quantity of the poison, and the day of sale. He shall, failing to do this, after conviction, pay a fine not exceeding ten pounds sterling and not less than five pounds sterling. Book to be kept of sales of poison. Penalty.

Art. 12.—All apothecaries, chemists, druggists or vendors of medicines shall prepare their medicines according to such pharmacopeia as is prescribed by the physician. Which Pharmacopeia to be used.

Art. 13.—Fines, inflicted under this Act, shall be recovered in the Landdrost Court of the district where the contravention has taken place. Collection of fines.

Art. 14.—Whosoever gives information of any contravention of the provisions of this Act is entitled to half the inflicted fine; the other half shall be deposited in the public treasury; and shall, if not returned, be used for the service of the country. Informer receives half the fine.

Art. 15.—Anything contained in this Act will not disqualify anybody, who until now has practised as physician under license or permission granted according to the provisions of any law in this State. Existing rights of practitioners protected.

Art. 16.—This Act may be cited for all purposes as “The Medical Act, 1886.” Title of the Act.

Art. 17.—All Acts and Resolutions of the Volksraad, incompatible with the provisions of this Act, shall be repealed and are hereby repealed. Repeal of Acts and Resolutions.

Art. 18.—This Act shall commence and come into effect after the date of promulgation in the *Staatscourant*. Time of Act taking effect.

ACT

FOR

The better Prevention of Certain Contagious Diseases.—

[Assented to 10th August, 1885.]

WHEREAS it is desirable to prevent, as far as may be, the spread of certain contagious diseases : Be it enacted by the Governor of the Cape of Good Hope, by and with the advice and consent of the Legislative Council and House of Assembly thereof, as follows :

PRELIMINARY.

1. This Act may be cited as “The Contagious Diseases Prevention Act, 1885.” Short title.

2. In this Act the term “contagious disease” shall be taken to mean any venereal disease, including gonorrhœa. Definition of contagious disease.

EXTENT OF ACT.

3. The places, districts, or areas to which Part I of this Act shall apply, shall be the places, districts, or areas mentioned in the first Schedule to this Act, and such other places, districts, or areas as the Governor shall, from time to time, declare by proclamation to be published in the Gazette. Local application of Act by proclamation.

4. The Governor shall have the power to rescind any such proclamation as in the preceding section is mentioned, and the limits of every place, district, or area, whether mentioned in the said Schedule or declared by such proclamation as aforesaid, may be extended, curtailed, or otherwise altered, from time to time, by like proclamation to be published in like manner. Power to rescind, &c., such proclamation.

5. Part II of this Act shall apply to the several districts of the Colony. Application of Part II.

PART I.

MEDICAL INSPECTORS AND HOSPITALS.

6. It shall be lawful for the Governor to appoint some duly qualified medical practitioner or practitioners to be medical inspector or inspectors of contagious diseases for each of the places, districts, or areas within which Part I of this Act shall be in force. Appointment of medical inspector.

7. The Governor may from time to time provide any buildings or parts of buildings, or set apart any ward or wards of any hospital as and for hospitals for the purposes of Part I of this Act, and every such hospital shall be placed under the control or management of such person or persons as to the Governor may from time to time seem fit. Provision for hospital accommodation.

8. The medical inspector or inspectors of the place, district, or area within which any hospital as aforesaid shall be situated, shall make regulations for the management and government of such hospital and the conduct of the inmates ; provided such regulations be not inconsistent with the provisions of Part I of this Act, and may from time to time alter any such regulations, but all such regulations and alterations thereof shall be subject to the approval of the Governor. Hospital regulations made by medical inspector.

9. A printed copy of regulations purporting to be regulations of any hospital as aforesaid, or a written copy thereof, provided such written copy be signed by the medical inspector or inspectors of the Copy of regulations good evidence.

place, district, or area aforesaid, shall be evidence of the regulations of such hospital and of the due making and approval thereof.

PERIODICAL MEDICAL EXAMINATIONS.

Process to compel appearance of reputed prostitute to undergo inquiry, upon sworn statement.

10. Where an information or statement in writing on oath is laid before any resident magistrate having jurisdiction in any place, district, or area wherein Part I of this Act shall be in force, to the effect that the party making such information or statement has good cause to believe (and giving his reasons for such belief) that a female therein named is a common prostitute, and either is resident within such place, district, or area as aforesaid, or being resident outside such place, district, or area has within fourteen days before the making of such information or statement been within such place, district or area as aforesaid for the purposes of prostitution, the said resident magistrate may if he thinks fit issue a notice thereof addressed to such female fixing a time and place for her attendance to answer to what is contained in such information or statement, which notice he shall cause to be served upon her.

Arrest for default of appearance of reputed prostitute after proper notice.

11. If the female on whom such a notice as aforesaid is served neglects or refuses to appear herself or by some person on her behalf at the time and place appointed in the notice or at some other time and place appointed by adjournment, and it is shown on oath to the said resident magistrate that the notice aforesaid was served on her a reasonable time before the time appointed for her appearance, or that reasonable notice of such adjournment was given to her as the case may be, she may be arrested by warrant of the said resident magistrate in order that she may be brought before him to answer as aforesaid.

Magistrate if satisfied of truth of sworn statement may order periodical medical examination of female.

12. At the time and place mentioned in the said notice, or at some other time and place appointed by adjournment, in case the female shall appear herself, or by some one on her behalf, or as soon as conveniently may be, in case she shall have been arrested upon warrant as aforesaid, the said resident magistrate shall investigate the truth of the said information or statement, and on oath being made before him, substantiating to his satisfaction what is contained in the said information or statement, he may, if he thinks fit, order that the said female be subjected to a periodical medical examination by any medical inspector or inspectors appointed under the sixth section hereof, for the purpose of ascertaining, at the time of each such examination, whether she is affected with a contagious disease, and thereupon she shall be subjected to such periodical medical examination, and shall be bound to undergo the same, and the said order shall be a sufficient warrant for such medical inspector or inspectors as aforesaid to conduct such examination accordingly.

Such order to operate as warrant to medical inspector.

Form and service of order.

13. The order aforesaid shall specify the time and place at which the female aforesaid shall attend for the first examination, and a copy thereof shall be served on the female..

Voluntary submission of female to examination.

14. Any female in any place, district, or area to which Part I of this Act applies may voluntarily, by a submission in writing, signed by her in the presence of any resident magistrate or any medical inspector for such place, district, or area, and attested by such resident magistrate or medical inspector, subject herself to a periodical medical examination as hereby provided, and the said female shall thereupon become subject to the provisions of Part I of this Act in the same manner as if an order for such examination had been duly made by a resident magistrate as aforesaid.

Endorsement on written submission of time and place of examination.

15. The resident magistrate or medical inspector in whose presence the said submission shall be signed shall endorse upon the said submission the time and place at which the female shall attend for the first examination, and a copy of such endorsement shall be served on the female.

Notice to female.

16. The medical inspector or inspectors aforesaid having regard to the circumstances of each case shall at the first examination of each female examined by him or them, and afterwards from time to time as occasion shall require, prescribe the times and places at which she is required to attend again for examination, and he or they shall from time to time give or cause to be given to each such female notice of the times and places aforesaid.

Medical inspector to appoint times and places for subsequent examinations, with notice to female.

17. If any female subjected to periodical medical examination, whether by order of a resident magistrate or upon voluntary submission as aforesaid, at any time temporarily absent herself in order to avoid submitting herself to such examination on any occasion to which she ought so to submit herself, or refuses or wilfully neglects to submit herself to such examination on any such occasion, then and in every such case such female shall be guilty of an offence against Part I of this Act, and on conviction before the resident magistrate of the district within which such examination should have taken place or before the resident magistrate of the district wherein she may be found, be liable to imprisonment with or without hard labour, and with or without spare diet in the case of the first offence for any term not exceeding one month, and in case of a second or any subsequent offence for any term not exceeding three months with or without hard labour and with or without spare diet.

Penalty on female not submitting herself to examination.

18. If any such female is convicted of and imprisoned for the offence of absenting herself or of refusing or neglecting to submit herself to examination as aforesaid, the order subjecting her to periodical medical examination shall be in force after and notwithstanding her imprisonment.

Order for examination to continue in force notwithstanding punishment for disobedience.

DETENTION IN HOSPITAL.

19. If, upon any medical examination as aforesaid, the female examined is found to be affected with a contagious disease, she shall thereupon be liable to be detained in a hospital, subject and according to the provisions of Part I of this Act, and the medical inspector or inspectors by whom such examination shall have been made shall sign a certificate to the effect that she is affected with a contagious disease, naming the hospital in which she is to be placed, and he or they shall cause a duplicate of such certificate to be delivered to the female.

Female found affected with C.D. may be detained in hospital upon medical certificate.

20. Any female to whom any such certificate as in the preceding section mentioned relates, may, if she think fit, proceed to the hospital named in that certificate, and place herself there for medical treatment; but if, after the said duplicate certificate is delivered to her she neglects, or refuses forthwith to do so, she may be apprehended by any police constable, and conveyed to that hospital, and placed there for medical treatment, and the certificate of the medical inspector or inspectors as aforesaid shall be a sufficient warrant or authority to him for so doing.

Arrest for medical treatment of female not proceeding to hospital on such certificate.

21. If any female found to be affected with a contagious disease as in the nineteenth section mentioned, shall not willingly submit to proceed to hospital as aforesaid, she shall be at liberty before apprehension to appeal to and after apprehension to claim to be taken before the resident magistrate of the district wherein she may reside or practise prostitution, who shall inquire into the matter and hear the objection of such female and take the evidence on oath of the medical inspector or inspectors, and of any other medical practitioners who may have examined the female, and on determination of the matter either cancel the order of detention or declare that the same shall have full force and effect.

Appeal by female to Magistrate against certificate ordering detention.

122 CONTAGIOUS DISEASES PREVENTION ACT, 1885.

Female in hospital to be detained till discharged by medical inspector.

22. Where a female certified by any medical inspector or inspectors to be affected with a contagious disease, places herself, or is placed as aforesaid, in a hospital for medical treatment, she shall be detained there for that purpose until discharged by the medical inspector or inspectors of the place, district, or area within which the hospital shall be by writing under his or their hand.

Transfer of female from one hospital to another.

23. The resident magistrate of any district wherein any hospital may be, may, if in any case it appears to him expedient, by order signed by him, direct the transfer of any female detained in such hospital for medical treatment from that hospital to another named in the order of transfer.

Limit of period of detention.

24. No female shall be detained under any one certificate for a longer period than six months.

Detained female may claim inquiry by Magistrate, who may discharge her.

25. If any female detained in any hospital considers herself entitled to be discharged therefrom, and such discharge is refused, such female shall on her request be conveyed before the resident magistrate of the district wherein the hospital may be, who if he is satisfied upon reasonable evidence, that she is free from a contagious disease shall discharge her from such hospital.

Legal custody of female conveyed or transferred to or detained in hospital.

26. Every female conveyed or transferred under this Act to any hospital shall, while being so conveyed or transferred, and also while detained there, be deemed to be legally in the custody of the person conveying or transferring or detaining her, notwithstanding that she may be for that purpose removed out of one into another jurisdiction.

Penalty on female escaping from hospital or not conforming to regulations.

27. If any female who shall have been admitted into or shall be detained in any hospital under Part I of this Act, shall make or attempt to make her escape therefrom without being duly discharged, or if any such female shall refuse or neglect to conform to the regulations of such hospital during the period for which she shall be lawfully detained therein, she shall be liable on conviction before the resident magistrate of the district wherein such hospital may be, to imprisonment, with or without hard labour and with or without spare diet, for any period not exceeding one month, and the execution of such sentence of imprisonment may at the said resident magistrate's discretion be suspended until such female shall be lawfully discharged from the said hospital.

Penalty on female leaving hospital uncured and practising prostitution without certificate of freedom from C.D. by medical inspector.

28. If, on any female leaving any hospital, a notice in writing is given to her by the medical inspector or inspectors of the place, district, or area within which the hospital may be, to the effect that she is still affected with a contagious disease, and she is afterwards in any place for the purpose of prostitution while still so affected, she shall be guilty of an offence under Part I of this Act, and on conviction before the resident magistrate of the district wherein she may reside or practise prostitution, shall be liable for each offence to imprisonment, with or without hard labour, and with or without spare diet, for any period not exceeding one month.

RELIEF FROM EXAMINATION.

Application by female for relief from examination.

29. If any female, subject to a periodical medical examination under this Act (either on her own submission, or under the order of a resident magistrate) and not being under detention in a hospital as hereinbefore provided, shall desire to be relieved from such examination, she may apply in writing in that behalf to the resident magistrate of the district wherein she may be then residing, or to the resident magistrate of the district wherein she was practising prostitution at the time when she was subjected to such examination as aforesaid; and such resident magistrate shall appoint a

time and place for the hearing of such application, and shall cause to be served on such female a notice of such appointment.

30. If on the hearing of the application in the last section mentioned it is shown to the satisfaction of the resident magistrate that the applicant has ceased to be a common prostitute, or if the applicant with the approval of the said resident magistrate shall enter into a recognizance with or without sureties as to the said resident magistrate shall seem meet for her good behaviour during three calendar months thereafter, such resident magistrate may order that she be relieved from subjection to the periodical examination as aforesaid. Grounds for relief from examination.
Recognizance.

31. Every such recognizance shall be deemed to be forfeited if at any time during the term for which it shall be entered into the female to whom it relates shall be within the limits of any district, place, or area within which Part I of this Act shall be in force in any public thoroughfare, street, or place for the purpose of prostitution, or otherwise within such limits shall conduct herself as a common prostitute. Forfeiture of recognizance.

32. If upon any such recognizance as aforesaid becoming forfeited as aforesaid, or upon the expiration of the term thereof, the female to whom it relates shall within the limits in the last preceding section mentioned be in any public thoroughfare, street, or place for the purpose of prostitution, or shall otherwise within such limits conduct herself as a common prostitute, she shall be liable to be dealt with under Part I of this Act as if she had not been relieved from examination as aforesaid, and any order relieving her from such examination shall be deemed to be cancelled. Consequences of practising prostitution after forfeiture of recognizance.

PENALTIES FOR HARBOURING, &c.

33. If any person being the owner or occupier of any house, room, or place, within the limits of any district, place or area, to which Part I of this Act shall apply, or being in charge thereof, or a manager or assistant in the management or charge thereof, having reasonable cause to believe any female to be a common prostitute and to be affected with a contagious disease, shall induce or suffer her to resort to or be in that house, room, or place, for the purpose of prostitution, he shall be guilty of an offence against Part I of this Act, and shall be liable on conviction before the resident magistrate of the district, to be imprisoned with or without hard labour for any period not exceeding three months, or to pay a fine not exceeding twenty pounds, or in default of payment to be imprisoned with or without hard labour for a period not exceeding three months unless such fine be sooner paid: Provided, always, that a conviction under this section shall not exempt the offender from any penal or other consequences to which he may be liable for keeping or being concerned in keeping a disorderly house, or a brothel, or for the nuisance thereby occasioned. Penalties for harbouring diseased common prostitute.

PROCEDURE, &c.

34. Every resident magistrate in entertaining any case or making any investigation under Part I of this Act, shall be at liberty, unless the female otherwise desires, to order that no person have access to, or be or remain in the room or place in which he may sit for the purposes of such case or investigation without his consent or permission, but nothing herein contained shall be taken or construed to have the effect of limiting any other power which such resident magistrate may have of ordering such room or place to be cleared, or of directing that any person or persons be removed from such room or place. Procedure: powers of Magistrate.

124 CONTAGIOUS DISEASES PREVENTION ACT, 1885.

MISCELLANEOUS, &c.

Record to be kept by medical inspectors.

35. Every medical inspector shall keep a record of the case of every female examined by him under Part I of this Act, and such record shall at all times be open to the inspection of the resident magistrate, and of any other person who may be authorised thereto by the Governor.

Penalty for statement against female without reasonable cause.

36. If it shall appear to any resident magistrate, before whom any female shall appear personally, or by some person in her behalf, to answer to what is contained in any information or statement laid before the said resident magistrate under Part I of this Act, that the person making such information or statement did so without reasonable or probable cause, the said resident magistrate shall have the power to impose on such person a penalty of not exceeding twenty pounds, and in default of payment, to order him to be imprisoned, with or without hard labour, for a period not exceeding three months, unless such penalty be sooner paid.

Penalties for false statements and rights of action to female reserved.

37. Nothing in the last section contained shall have the effect of relieving the person making such information or statement from any of the pains or penalties to which the law would otherwise subject him for anything done or committed in and about the making of such information or statement, or of depriving any female of any right of action which she otherwise may have by reason of the making of such information or statement.

PART II.

PROVISIONS RELATING TO AFFECTED PERSONS OTHER THAN THOSE REFERRED TO IN PART I.

Magistrate after inquiry upon report by medical inspector or district surgeon may authorise placing under medical treatment any person

38. If any medical inspector under Part I of this Act shall have good ground to believe that any person whether male or female within the place, district, or area, for which he may be medical inspector, is affected by contagious disease to such an extent as to render the spread of such disease probable, or if the district surgeon of any district wherein Part I of this Act shall not be in force, shall have good ground to believe that any person within his district is so affected as aforesaid, it shall be the duty of such medical inspector or district surgeon, in case such person is not under medical treatment by some duly qualified medical practitioner, to report that fact to the resident magistrate, who shall thereupon make inquiry into the circumstances, and if upon such inquiry such resident magistrate shall deem fit so to do, it shall and may be lawful for him to authorise the said medical inspector or district surgeon to require the person so affected to place himself or herself under medical treatment by the said medical inspector or district surgeon, or some other duly qualified medical practitioner to be selected by such affected person, and to attend for that purpose at the time and place from time to time fixed by the said medical inspector or district surgeon or duly qualified practitioner until released from such attendance by the said medical inspector or district surgeon or duly qualified practitioner.

Inquiry private. Results not to be made public.

39. The inquiry in the last preceding section mentioned shall be held by the said resident magistrate privately, and the result of any such inquiry and the contents of any report, certificate, or notice made or given by any medical inspector or district surgeon, shall not be communicated or published by any person unless with the consent of such affected person to any person, save and except the said resident magistrate, medical inspector, district surgeon, or affected person, or parents or guardian of such affected person: Provided

CONTAGIOUS DISEASES PREVENTION ACT, 1885. 125

that notwithstanding anything herein contained the result of such inquiry, and the contents of any report, certificate, or notice, as aforesaid, may be disclosed and proved for the purposes of any legal proceeding in any court having jurisdiction.

40. If any person shall contravene the provisions of the last preceding section by disclosing or publishing, without such consent, as therein mentioned, to any person other than those in the last preceding section mentioned, the result of any inquiry or the contents of any report, certificate, or notice, as aforesaid, he shall be liable, upon conviction before the resident magistrate of the district, to a fine of not exceeding twenty pounds, and in default of payment to imprisonment with or without hard labour for any period not exceeding fourteen days unless such fine be sooner paid.

Penalty for publication of results of inquiry.

41. If any person duly required by any medical inspector or district surgeon, as in the thirty-eighth section mentioned, to place himself or herself under medical treatment, shall neglect or refuse to attend for that purpose at any time or place fixed by the said medical inspector, or district surgeon, or medical practitioner, such person shall be liable to a penalty of not exceeding five pounds, and in default of payment to imprisonment, with or without hard labour, for any period not exceeding one month, unless such fine be sooner paid.

Penalty for not attending as required for medical treatment.

PART III.

FORMS, NOTICES AND GENERAL PROVISIONS.

42. Every notice, order, or other instrument by this Act required to be served on any person shall be served by delivery thereof to such person for him or her, at his or her last known place of abode, or by delivery thereof to him or her personally.

Service of notices, &c.

43. The forms of certificates, orders, and other instruments given in the second Schedule to this Act, or forms to the like effect, with such variations and additions as circumstances require, may be used for the purposes therein indicated, and according to the directions therein contained, and instruments in these forms shall (as regards the form thereof) be valid and sufficient.

Forms in Schedule 2 sufficient.

44. In any proceeding under this Act any notice, order, certificate, copy of regulations, or other instrument purporting to be signed by a resident magistrate, inspector or inspectors, or district surgeon shall, on production, be received in evidence, and shall be presumed to have been duly signed by the person, and in the character by whom, and in which it purports to be signed, until the contrary is shown.

Signed notices, &c., good evidence and presumed to be duly signed.

45. This Act shall not have the effect of legalising prostitution or of exempting any person engaged in or practising the same from such pains and penalties as may be by the existing law of the Colony attached thereto.

Amend the Law relating to Lunatics.—[Assented to 18th August, 1891.]

Preamble.

BE it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council and House of Assembly thereof, as follows :—

Repeal of Act No. 20, 1879, and repugnant laws.

1. The Act No. 20, 1879, intituled "An Act to provide for the safe custody of persons dangerously insane, and for the care and custody of persons of unsound mind," and so much of any other law as may be repugnant to or inconsistent with the provisions of the Act, are hereby repealed ; but this repeal shall not affect any warrant issued, or thing done in pursuance of any such repealed law.

Short title of Act.

2. This Act may be cited for all purposes as "The Lunacy Act, 1891."

Interpretation of terms.

3. In the construction of this Act the following terms shall have the meanings herein assigned to them unless there is something in the context repugnant to such construction :—

"Asylum" means an asylum for lunatics now existing or which may hereafter be declared by the Governor as an asylum or place for the reception or detention of lunatics.

"Court" means the Supreme Court of the Cape of Good Hope, and the Court of the Eastern Districts, the High Court of Griqualand, and any Circuit Court, within the limits of the jurisdiction of such Courts respectively.

"Criminal Lunatic" means any person for whose safe custody during the Governor's pleasure, the Governor is authorized to give order, and any prisoner whom the Governor has in pursuance of this or any other law directed to be removed to an asylum or other place for the reception of insane persons.

"Judge." Any judge of the Supreme Court.

"Constable" includes members of the police force, and field-cornets.

"Lunatic" includes any idiot or person of unsound mind incapable of managing himself or his affairs.

"Magistrate" means a resident magistrate, and includes an acting resident magistrate and an assistant magistrate.

"Medical Practitioner" means a legally qualified medical practitioner, in actual practice, within the meaning of any law now or hereafter in force.

"Prison" means any prison or place of confinement to which a person may be committed, whether on remand or for trial, safe custody, punishment or otherwise, under any other than civil process : and

"Prisoner" means any person so committed.

Act to apply to persons detained in asylum at time of taking effect thereof.

4. The provisions of this Act shall apply to every person who, at the taking effect thereof, is detained in an asylum or place of confinement for lunatics, and every warrant or order granted for the detention of any such person, shall be deemed to have been legally granted until set aside or varied under the provisions of this Act.

Constable may under certain circumstances remove alleged lunatic to prison or hospital.

5. If a constable is satisfied that it is necessary for the public safety or the welfare of an alleged lunatic with regard to whom it is his duty to take any proceedings under this Act, that the alleged lunatic should, before any such proceedings are taken, be placed under care and control, the constable may apprehend and convey the alleged

lunatic to a prison or hospital, and the gaoler or keeper of the hospital shall, unless there is no proper accommodation in such prison or hospital for the alleged lunatic, receive, relieve and detain the alleged lunatic therein, but no person shall be so detained for more than forty-eight hours without the knowledge or authority of a Magistrate.

PART I.

PROCEEDINGS FOR RESTRAINING DANGEROUS LUNATICS.

6. When any person shall be discovered under circumstances indicating derangement of mind, and a purpose of committing suicide, or some crime or offence for which such person would be liable to be prosecuted, any Magistrate before whom such person shall be brought, may call to his assistance any two medical practitioners (one of whom shall if practicable be the District Surgeon) and shall examine such practitioners and any other witnesses upon oath.

Proceedings to be taken by Magistrate if supposed dangerous lunatic brought before him.

7. If on view and examination of the person apprehended or brought before the Magistrate, and on the evidence of such medical practitioners and others, the Magistrate is satisfied that such person is a dangerous lunatic, and that his case cannot be adequately dealt with under the provisions of Part III of this Act, then he may by order under his hand direct that such person shall be removed to and detained in some hospital or other place of safe confinement, until such person shall be lawfully discharged, or removed to some asylum by order of the Governor.

Proceedings if Magistrate is satisfied that person is a dangerous lunatic.

8. Any Magistrate or Justice of the Peace, upon its being made to appear to him on oath, that any person wandering at large is deemed to be a dangerous lunatic, may, by order under his hand, require any constable to apprehend and bring such person before any Magistrate having jurisdiction.

Magistrate or J.P. may issue order to apprehend person deemed to be dangerous lunatic and wandering at large.

9. Any constable receiving an order from a Magistrate or Justice of the Peace, shall forthwith act as therein directed, either in apprehending or removing such lunatic or supposed lunatic therein named. And any person who may by any order of a Magistrate be directed to receive and detain any such lunatic or supposed lunatic, shall act in obedience to such order.

Constables to obey such order.

10. If at any time after the granting of any order or warrant for the detention of a person as a dangerous lunatic, it shall be made to appear to the Governor that such person has ceased to be, or is not a dangerous lunatic, and that he may be suffered to go at large with safety, the Governor may order the discharge of such person from custody, unless he be lawfully detained for some other cause.

Governor may order discharge of person so apprehended if it appears he is not a dangerous lunatic.

11. The provisions of the twenty-ninth to the thirty-sixth sections, inclusive, of this Act, shall respectively extend and apply to every order for the detention of a dangerous lunatic granted by any Magistrate in pursuance of this part of this Act.

Sections 29 to 36 to apply to orders for the detention of dangerous lunatics.

PART II.

PROVISIONS RELATING TO CRIMINAL LUNATICS.

12. When in any indictment or other criminal process any act or omission is charged against any person as an offence, and it is given in evidence on the trial of such person for that offence that he was insane, so as not to be responsible according to law for his actions at the time when the act was done or the omission made, then if it

Procedure where persons charged with offences are found to be insane by a jury.

appears to the jury before whom, or the court (where there is no jury) before which such person is tried, that he did the act or made the omission charged, but was insane as aforesaid at the time when he did or made the same, the jury or such court shall return a special verdict or finding to the effect that the accused was guilty of the act or omission charged against him, but was insane as aforesaid at the time when he did the act or made the omission.

Such persons to be kept in custody as criminal lunatics.

13. Whenever such special verdict or finding shall be returned, the presiding judge or court shall order the accused to be kept in custody as a criminal lunatic in such place and in such manner as the court shall direct till the Governor's pleasure shall be known: and it shall be lawful for the Governor thereupon, and from time to time, to give such order for the safe custody of the said person in such place and in such manner as to the Governor may seem fit.

Prisoners not under sentence of death who may appear insane, to be examined by two medical men by order of Colonial Secretary or a magistrate.

14. Where it appears to the Colonial Secretary or a Magistrate that a prisoner, not being under sentence of death, is insane, such Secretary or Magistrate shall direct two medical practitioners (one of whom shall, if practicable, be the district surgeon) to examine such person and inquire as to his sanity, and after such examination and inquiry the said medical practitioners may certify, in writing, that he is insane.

If under sentence of death to be examined by two or more medical men by order of Governor.

15. In the case of a prisoner under sentence of death, if it shall be made to appear to the Governor that there is reason to believe such prisoner to be insane, the Governor may appoint two or more medical practitioners, who shall forthwith examine such prisoner and inquire as to his insanity, and after such examination and inquiry such practitioners shall make a report, in writing, to the Governor as to the sanity of the prisoner, and they, or the majority of them, may certify that he is insane.

If prisoner certified insane, to be removed under warrant of Governor to some asylum and detained there as a criminal lunatic.

16. When a prisoner is certified as aforesaid to be insane the Governor may, if he thinks fit, direct such prisoner to be removed to an asylum named in the warrant, and thereupon such prisoner shall be removed to and received in such asylum, and, subject to the provisions of this Act relating to discharge and otherwise, shall be detained therein, or in any other asylum to which he may be transferred, as a criminal lunatic, until he ceases to be a criminal lunatic.

When it is certified that a criminal lunatic (other than one in respect to whom a special verdict was returned) is sane, the Colonial Secretary may order him to be remitted to prison.

17. When it is certified by two medical practitioners that a person being a criminal lunatic (not being a person with respect to whom a special finding or verdict has been returned that he was guilty of the act or omission charged against him, but was insane at the time when he committed the act or made the omission) is sane, the Colonial Secretary, if satisfied that it is proper to do so, may by warrant direct such person to be remitted to prison, to be dealt with according to law.

Superintendent of asylum or other place in which criminal lunatic is detained, to report to Colonial Secretary at least once a year.

18. The superintendent of an asylum or other place in which a criminal lunatic is detained, shall make a report to the Colonial Secretary at such times (not being less than once a year), and containing such particulars as the Colonial Secretary may require, of the condition and circumstances of every criminal lunatic in such asylum or place: and the Colonial Secretary shall at least once in every two years during which a criminal lunatic is detained, take into consideration the condition, history, and circumstances of such lunatic, for the purpose of determining whether he ought to be discharged or otherwise dealt with.

Colonial Secretary may order transfer of criminal lunatic.

19. The Colonial Secretary may, from time to time, order the transfer to an asylum of any criminal lunatic detained in any other asylum or any other place, and such criminal lunatic shall accordingly be received and detained in the asylum to which he is so transferred.

20. The Governor may discharge any criminal lunatic absolutely, or conditionally, that is to say, on such conditions as to the duration of such discharge, and otherwise as the Governor may think fit.

Governor may discharge criminal lunatic, absolutely or conditionally.

21. Where a criminal lunatic is conditionally discharged in pursuance of this Act :

Conditions to be observed in conditional discharge.

- (1) A report of his condition shall be made to the Colonial Secretary by such person and at such times and containing such particulars as may be required by the warrant of discharge, or directed by the Governor, or by any general rules and regulations ;
- (2) If any of the conditions of such discharge appear to the Governor to be broken or the conditional discharge is revoked, the Governor may direct him to be taken into custody, and removed to some asylum or place named in the warrant ; and he may thereupon be taken, and shall be received and detained in such asylum or place as if he had been removed thereto under the provisions of this Act.

22. The Governor may make, revoke, and vary regulations for the treatment of persons sentenced to imprisonment who appear, in accordance with the said regulations, to be from imbecility of mind, either unfit for penal discipline, or unfit for the same penal discipline as other prisoners.

Governor may make regulations for dealing with prisoners who appear from imbecility to be unfit for penal discipline.

PART III.

PROVISIONS RELATING TO LUNATICS NOT BEING DANGEROUS NOR CRIMINAL.

23. Any Magistrate, upon the information on oath of any person, that a person wandering at large is deemed to be a lunatic, may by order require a constable to apprehend the alleged lunatic and bring him before the Magistrate making the order, or before any Magistrate having jurisdiction where the alleged lunatic is.

Magistrate may order apprehension of person wandering at large and deemed to be a lunatic but not criminal nor dangerous.

24. When under this Act notice has been given to, or an information on oath laid before a Magistrate, that a person wandering at large is deemed to be a lunatic, such Magistrate may examine the alleged lunatic at his own house, or elsewhere, and may proceed in all respects as if the alleged lunatic had been brought before him.

Magistrate may examine such person.

25. Every constable who has knowledge that any person not wandering at large is deemed to be a lunatic and is not under proper care and control, or is cruelly treated, or neglected by any relative or other person having the care or charge of him, shall without delay give information thereof on oath before the nearest Magistrate.

Constables to report to Magistrate cases of lunatics not under proper care, though not wandering abroad.

26. Upon the affidavit or information on oath of any person that a person is deemed to be a lunatic, or that such a person is not under proper care, treatment and control, or is cruelly treated or neglected as aforesaid, any Magistrate may himself visit the alleged lunatic, and shall, whether making such visit or not, direct and authorise any two medical practitioners whom he thinks fit (one of whom shall, if practicable, be the District Surgeon) to visit and examine the alleged lunatic, and to report their opinion of his mental state. In case the services of two medical practitioners shall not be available, or immediately available, the Magistrate may direct one medical practitioner to perform such duty.

Upon information of cases under Section 25, Magistrate may order person to be examined by medical practitioner.

"Summary Reception Order."

If Magistrate satisfied that person is lunatic and not under proper care, he may order person to be detained.

27. If upon the report of the medical practitioners or practitioner who examined the alleged lunatic, or after such further or other inquiry as the Magistrate thinks necessary, he is satisfied that the alleged lunatic is a lunatic, and is not under proper care, treatment and control, or is cruelly treated or neglected by any relative or other person having the care or charge of him, and that he is a proper person to be taken charge of and detained under care and treatment, or if the person having the care, treatment, or control of the alleged lunatic consents to the issue of the order hereinafter mentioned, the Magistrate may by order (in this Act termed a Summary Reception order) direct the lunatic to be received and detained in some asylum or other place to be named in such order, and any constable whom the Magistrate may require so to do shall forthwith convey the lunatic to the place named in the order.

Such order shall authorise detention for one month.

Magistrate granting such order to send copy of order, report, and medical practitioner's report to the Attorney-General, Solicitor-General or Crown Prosecutor.

28. A summary reception order shall authorise the detention of the person named therein for a period not exceeding one month.

29. A Magistrate granting any order for the detention of any alleged lunatic under this Act shall, without delay, transmit a copy thereof with copies of the depositions and medical reports upon which he acted in granting such order, and his own report to the Attorney-General, or in case the lunatic shall be within the districts over which the Court of the Eastern Districts or the High Court of Griqualand respectively have jurisdiction, to the Solicitor-General, or Crown Prosecutor as the case may be. The Magistrate shall also within ten days transmit as aforesaid the report of the District Surgeon or such medical practitioner as shall have been in attendance upon the lunatic, as to his mental and bodily condition during his detention. Such Magistrate shall also make such report (if any) to the Colonial Secretary as may be prescribed by any general regulations, and otherwise conform thereto.

Proviso as to lunatics being taken charge of by relatives or friends.

30. In the case of a lunatic as to whom a summary reception order may be made, nothing in this Act shall prevent a relative or friend from retaining or taking the lunatic under his own care, if the Magistrate having jurisdiction to make the order shall be satisfied that proper care will be taken of the lunatic.

The Attorney-General, Solicitor-General and Crown Prosecutor *ex officio* curators *ad litem* of such lunatics within their jurisdictions.

31. The Attorney-General, and the Solicitor-General and Crown Prosecutor, of Griqualand West, within the limits of the districts respectively in which the latter exercise their functions, shall be *ex officio curators ad litem* of such persons as may be detained under any order granted by a Magistrate under this Act, or further detained under a Judge's order.

Curator *ad litem* receiving above reports, &c., to lay the same before Judge in chambers.

32. A *curator ad litem* receiving any such order, depositions and reports as aforesaid from a Magistrate, shall, within the said period of one month, lay the same with any further reports, depositions, or statements which he may have deemed necessary to call for, before a Judge in chambers for his consideration.

The Judge may:—

33. The Judge upon consideration of such order, reports and evidence of lunacy therein appearing, may order as follows:—

Order further detention of alleged lunatic.

(1) If satisfied that an order for the further detention of the alleged lunatic may be made forthwith, make such order accordingly, and for such period as he may deem necessary.

Call upon *curator ad litem* and lunatic to appear before an appointed court.

(2) Direct that a summons be issued and served upon the alleged lunatic and the *curator ad litem*, to appear in the court to be therein named to show cause for the care of his person, and if necessary, for the care or administration of his property.

Appoint *curator bonis*.

(3) Appoint a *curator bonis* for the temporary care or custody of any property of the alleged lunatic, and

where it appears to the Judge desirable that temporary provision should be made for the maintenance or other necessary purposes or requirements of the alleged lunatic, or any member of his family out of any cash, or available securities belonging to him in the hands of his bankers or of any other person, the Judge may authorize any such banker or other person to pay to the *curator bonis* such sums as may be deemed necessary, and may give directions as to the application thereof for the alleged lunatic's benefit, or to the relief of his family.

- (4) Direct that the alleged lunatic be immediately discharged. Direct discharge of alleged lunatic.
- (5) Direct that any summons or other process be issued, and the proceedings in the case be continued, free of any stamp duty or office fee; and order that service of any process under this section be made in such manner as may seem expedient. Direct as to issue, service, &c., of summons.
- (6) Generally give such directions as may appear necessary and proper. Generally give necessary directions.

34. Nothing in this Act contained shall prevent any husband, wife, or other relative of any person deemed to be a lunatic, or any friend of such person who has no husband, wife, or near relative at or near the place where such person is residing, from applying by petition directly to any court or Judge for an enquiry into such person's mental condition, whether a summary reception shall previously have been granted or not, and such court or Judge may order therein as may be deemed fitting. Husband, wife, friend, or relative of person deemed to be lunatic may apply directly to any court or judge for enquiry.

35. Any person detained under the order of a Magistrate under this Act, or under a Judge's order for further detention, granted as aforesaid, may apply to the court, directly or through a *curator ad litem*, for an enquiry into the cause and grounds of such person's detention, and such court may order therein as may be deemed fitting. Any person detained under a summary reception order may apply to court for an enquiry.

36. When any Judge has granted an order for the further detention of a lunatic, or when a court has declared a person lunatic, the Under-Colonial Secretary may by warrant under his hand authorize the removal of such lunatic to some asylum, hospital, or other safe place of confinement, there to be detained until legally discharged or legally removed to some other asylum or place. Where a person is ordered to be further detained or is declared a lunatic, the Under Colonial Secretary may order his removal to asylum.

PART IV.

PROVISIONS FOR THE CARE AND ADMINISTRATION OF LUNATIC'S PROPERTY.

37. The court may appoint a curator for the care or administration of the property of any person declared lunatic, or of a person lawfully detained as a criminal lunatic or dangerous lunatic, with or without security, as the court may direct, and may confer upon such curator authority to do any specified act, or exercise any specified power, or may confer a general authority to exercise on behalf of the lunatic, until further order, all or any of such powers without further application to the court. Court may appoint curator over property of lunatic.

38. Where upon an enquiry the court shall be of opinion that the person to whom it relates is of unsound mind so as to be incapable of managing his affairs, but that he is capable of managing himself, and is not dangerous to himself or to others, such court may make such order as it thinks fit for the care or administration of the property of the lunatic, including all proper provisions for his maintenance, but Court may under certain circumstances appoint curator over property without appointing curator over person.

it shall not be necessary, unless the court shall think proper to do so, to make any order as to the custody of his person.

Court may dissolve a partnership if member thereof declared a lunatic.

39. When any person being a member of a partnership is declared a lunatic by the court, the court may by the same order, or by any order subsequently granted, dissolve the partnership.

Copy of order appointing curator over property, to be lodged with Master.

40. When a court has granted an order for appointing a curator for the care or administration of the property of a lunatic, an office copy of such order shall forthwith be lodged with the Master of the Supreme Court.

Master to grant certificate of appointment to curator.

41. The Master shall grant to such curator a certificate that he has been so appointed, and is authorized as such to have the custody and administration of the lunatic's estate.

Curator to file inventory, &c., with Master.

42. Every such curator shall be under the like duty and obligation as an executor appointed for the administration of the estate of a deceased person to lodge with the said Master an inventory, or additional inventory of the property of a lunatic and accounts of his administration, and in respect of any such inventory or account the like stamps and fees shall be payable as in the case of the estate of a deceased person.

Curator to be allowed same remuneration as executor.

43. Every such curator shall be allowed the like remuneration, to be taxed by the said Master, as in the case of the executor.

If lunatic die intestate, or has no executor, *curator bonis* to act as executor.

44. When any lunatic for the care or administration of whose estate a curator has been appointed shall die intestate, or having left a will there shall be no executor, or none willing to act, such curator shall continue the administration of the estate of such lunatic, and distribute the assets thereof as if he had been appointed an executor dative.

Court may authorise curator to do following acts.

45. The court may authorise and direct any curator appointed as aforesaid to do all or any of the following things:—

- (1) Sell any property belonging to the lunatic.
- (2) Make exchange or partition of any property belonging to the lunatic, or in which he is interested, and give or receive any money for equality of exchange or partition.
- (3) Carry on or discontinue any trade or business of the lunatic.
- (4) Grant leases of any property of the lunatic.
- (5) Perform any contract relating to the property of the lunatic entered into by the lunatic before his lunacy.
- (6) Exercise any power or give any consent required for the exercise of any power where the power is vested in the lunatic for his own benefit, or the power is in the nature of a beneficial interest in the lunatic.
- (7) Raise money on mortgage of the lunatic's property for payment of his debts, or payment of any debt or expenditure incurred for the lunatic's maintenance or otherwise for his benefit, or payment of, or provision for, the expenses of his future maintenance.
- (8) Apply any money for or towards the maintenance or the benefit of the lunatic.
- (9) Make such reports concerning the lunatic's estate to the court or to the Master as such court shall deem fit.

Act not to be taken to limit power of Court as to declaring persons insane, or appointing curators.

46. Nothing in this Act contained shall be deemed to limit or abridge the power by law possessed by the court in regard to declaring persons of unsound mind, or to the appointment of curators to the person or property of any lunatic.

PART V.

OFFENCES AND PENALTIES.

47. Every person who, except under the provisions of this Act, receives or detains a lunatic, or alleged lunatic in an asylum, or for payment takes charge of, receives to board and lodge, or detains a lunatic or alleged lunatic, shall, upon conviction, be liable to a penalty of fifty pounds. Penalty for detaining alleged lunatic except under provisions of this Act.

48. Every person guilty of any of the following acts or offences shall, upon conviction, be liable to a penalty not exceeding one hundred pounds, or to imprisonment, with or without hard labour, for any period not exceeding twelve months : Penalties for false statements, &c.

- (1) Making any wilful misstatement of any material fact in any petition, application, statement of particulars, report, or reception order under this Act.
- (2) Making a wilful misstatement of any material fact in any medical certificate or other certificate, or in any statement or report of bodily or mental condition under this Act.
- (3) Knowingly making in any book, statement, or return, any false entry as to any matter as to which he is by this Act, or by any rules or regulations made under this Act, required to make an entry.
- (4) Wilfully obstructing any magistrate, curator, curator *ad litem*, visitor, medical practitioner, constable, or other person specially authorised by the Governor, or under any order of court, in the exercise of any of the powers conferred by this Act, or by any rules or regulations made under this Act.

49. Every person who shall contravene any of the provisions of this Act in respect of which no other penalty or punishment is by this Act or by any law otherwise provided, or who shall contravene any of the provisions of any rules or regulations made by the Governor under this Act, shall, upon conviction, be liable to a penalty not exceeding twenty pounds. Penalty where no special penalty provided.

50. Any officer, nurse, attendant, servant, or other person employed in any asylum or other place, or any person having the care or charge of a lunatic, or alleged lunatic, whether by reason of any contract, or any tie of relationship, or marriage, or otherwise, who shall ill-treat or wilfully neglect any such lunatic or alleged lunatic shall, upon conviction, be liable to a penalty not exceeding fifty pounds, or to imprisonment, with or without hard labour, for any period not exceeding six months. Penalty if nurses, &c., or persons in charge ill-treat lunatic.

51. Any officer, attendant, servant, or other person employed in any asylum or other place, who shall wilfully permit, or assist, or connive at the escape or attempted escape of any lunatic, or secrete a lunatic shall, upon conviction, be liable to a penalty not exceeding twenty pounds, and to instant dismissal from any position such convicted person may then occupy. Penalty for conniving at escape of lunatic.

52. It shall not be lawful to employ any male person in any asylum in the personal custody or restraint of any female patient, and any person employing a male person contrary to this section shall be liable to a penalty not exceeding twenty pounds ; Provided that this section shall not extend to prohibit or impose a penalty on the employment of male persons on such occasions of urgency as may in the judgment of the superintendent of the institution render such employment necessary, but the employment shall be reported to the Colonial Secretary. Male persons not to be employed in personal custody of female patient. Proviso.

Penalty on person having charge of lunatic for carnally knowing female patient.

53. If any officer, attendant, or any other person employed in any asylum, or any person having the care or charge of or attending upon any single patient, carnally knows, or attempts to have carnal knowledge of any female under care or treatment as a lunatic, he shall, upon conviction, be liable to imprisonment, with or without hard labour, for any period not exceeding five years; and no consent or alleged consent of such female thereto shall be a defence in any prosecution for such offence.

PART VI.

MISCELLANEOUS PROVISIONS.

No person to be detained in asylum who is not a criminal, dangerous or declared lunatic, unless under order of Court or Judge.

54. Subject to any exception in this Act mentioned, a person not being a dangerous lunatic, a criminal lunatic, or a lunatic so declared by a Court, shall not be received or detained in any asylum, hospital or other place, or as a single patient, unless under an order made by a Court or Judge.

Every person receiving a patient into his house to transmit a notice thereof to the Colonial Secretary.

55. Every person who shall receive to board and lodge in his house, or shall take care or charge for payment or valuable consideration of any person as a lunatic shall, within twenty-four hours after so receiving or taking such person, transmit through the post a notice of such admission to the Colonial Secretary with true copies of the order, statement and medical certificates upon which such person shall have been so received.

Also a report of patient's mental state, &c., signed by medical attendant.

56. The person so receiving or taking charge of such lunatic shall also, after the second, and before the end of the tenth day from such admission, transmit to the Colonial Secretary a statement to be signed by the medical practitioner visiting the lunatic, of his mental state, and his bodily health and condition.

Every such patient to be visited by independent medical practitioner.

57. Every such lunatic shall, as often as may be provided by regulations under this Act, or as may be directed by the Colonial Secretary, be visited by a medical practitioner not deriving, and not having a partner, father, son, brother or other relative who derives any profit from the care and charge of such lunatic.

Notice to Colonial Secretary if patient detained for more than 3 months in private house without an order under Act.

58. If any occupier or inmate of any house shall keep or detain therein any person as a lunatic, except under some order authorised by this Act, although one of his family or a relative, beyond the period of three months after his lunacy shall have become apparent, and when it shall be such as to require during any part of such period coercion or restraint, such occupier or inmate, or the medical practitioner attending such person, shall intimate such detention to the Colonial Secretary, and shall transmit to the Colonial Secretary a certificate signed by at least one medical practitioner of the condition of the person so detained, and shall state therein the reasons (if any) which renders it desirable that such person shall remain under private care.

Colonial Secretary may order enquiry as to lunatics detained in any private house.

59. If the Colonial Secretary shall have information or reason to believe or suspect that any lunatic, or any person treated as a lunatic, of whose condition no such intimation as aforesaid has been made is detained or kept, or is dwelling in any house, and that the lunacy of such person has endured for three months after the same became apparent, and is such as to have required coercion or restraint, or if such intimation shall have been made as in the last section provided, and the reason stated appear to be insufficient, and he is of opinion that enquiry should be made, he may order such enquiry to be made as he shall think fit.

60. Every medical certificate or report under this Act shall be signed by a medical practitioner, and shall state the facts upon which the certifying medical practitioner has formed his opinion that the alleged lunatic is a lunatic, distinguishing facts observed by himself from facts communicated by others; and no order made under this Act shall be made upon a certificate founded only upon facts communicated by others.

Requirements of medical certificates under Act.

61. Every medical certificate or report made under, and for purposes of this Act, shall be evidence of the facts therein appearing so far as they may be facts within the knowledge of the person making the certificate, and of the judgment therein stated to have been formed by the certifying medical practitioners on such facts, as if the matters therein appearing had been verified on oath.

Medical certificate evidence of certain facts.

62. The medical certificates or reports under this Act shall not be received or acted upon if made by any person related to the supposed lunatic within the fourth degree of consanguinity or affinity, or the partner or assistant of a person so related; and neither of the persons signing such certificates or reports shall be so related to, or the partner or the assistant of, the other of them.

Medical certificates not to be signed by person related to alleged lunatic within fourth degree.

63. Mechanical means of bodily restraint shall not be applied to any lunatic unless the restraint is necessary for the purposes of surgical or medical treatment, or to prevent the lunatic from injuring himself or others; and in every such case

Under what circumstances mechanical means of bodily restraint allowed.

- (1) A medical certificate shall, as soon as it can be obtained, be signed, describing the mechanical means used, and stating the grounds upon which the certificate is founded.
- (2) The certificate shall be signed, in the case of a lunatic in an asylum or other place of confinement, by the medical officer thereof, and in the case of a private patient, by his medical attendant.
- (3) A full record of every case of restraint by mechanical means shall be kept from day to day.
- (4) A copy of the certificates and records under this section shall be sent to the Colonial Secretary at the end of every quarter.
- (5) In the application of this section "mechanical means" shall be such instruments as the Governor may, by regulations, determine.

64. Any magistrate, or any commissioner, or person appointed by any competent court, or by the Governor, to make any enquiry under this Act, or in respect of any lunatic, may, if he deems it necessary so to do, summon any person to appear before him to testify on oath touching any matter respecting which such magistrate, commissioner or other person is under this Act, or by any commission or order issued by any such court, or by the Governor, authorised to enquire (which oath such magistrate, commissioner or other person is hereby empowered to administer).

Any person appointed under this Act to make enquiry may examine on oath and summon witnesses.

65. Every person who does not appear pursuant to any such summons as is in the last section mentioned, or does not assign some reasonable excuse for not appearing, or who appears and refuses to be sworn or examined, shall, on conviction in the court of any resident magistrate having jurisdiction, be liable to a penalty not exceeding twenty pounds.

Penalty for not obeying such summons.

66. Every person so summoned as aforesaid shall be entitled to be paid his expenses as if a witness summoned to attend upon a trial in a criminal case.

Expenses of witnesses.

Requirements and execution of warrant under this Act.

67. A warrant of the Governor under this Act may be under the hand of the Colonial Secretary, or of the Under Colonial Secretary, and where any warrant is authorised or required to be granted by the Colonial Secretary, such warrant may be under the hand of the Under Colonial Secretary. Every such warrant may be executed by the person to whom it is addressed or by any constable, and when it relates to a person not in custody may be executed in like manner as if it were a warrant for the arrest of a person charged with an offence, and it shall be the duty of every constable to aid in the execution of every warrant under this Act.

Powers of Colonial Secretary under Act may be exercised by another person appointed by Governor.

68. The Governor may, from time to time, direct that all or any of the powers, duties and authorities by this Act vested in or required to be performed by the Colonial Secretary, shall be exercised and performed by any person the Governor shall think fit, subject to any restrictions or limitations he may impose, or that such powers, duties and authorities may, as to certain parts of the Colony, be exercised by the Colonial Secretary, and as to certain other parts by some person or persons other than the Colonial Secretary.

Escaped lunatic may be recaptured.

69. If any person escapes while being conveyed to an asylum or place in pursuance of this Act, or if any person lawfully detained in an asylum or other place for lunatics escapes, he may be retaken by the superintendent of such asylum, or any officer or servant belonging thereto, or by any person assisting such superintendent, officer or servant, or by any constable, and conveyed to and received and detained in such asylum.

Action by lunatic, limitation of.

70. Any action brought by any person who has been detained as a lunatic against any person for anything done under this Act shall be commenced within three months next after the release of the person bringing the action.

Governor may make, &c., regulations.

71. The Governor may, from time to time, make and alter rules or regulations for all or any of the following purposes :—

- (1) For the discharge of lunatics on the application of relatives of friends, or on probation.
- (2) For the removal or transfer of lunatics from one asylum or place to another asylum or place.
- (3) For the guidance of visitors and as to the reports to be made to or by them.
- (4) For prescribing the books to be kept in asylums or otherwise in reference to any lunatic, and the entries to be made therein, and the accounts, returns, reports, extracts, copies, statements, notices, documents and information to be sent to the Colonial Secretary, or other authority or person as the Governor may direct.
- (5) As to the persons by whom, the times when, and the manner in which such entries, accounts, returns, reports, extracts, copies, statements, notices, documents and information are to be made and sent, in regard to any asylum, or any lunatic or alleged lunatic.
- (6) As to the terms of payment and accommodation for paying patients in any asylum.
- (7) For prescribing forms for the purposes of this Act, in addition to, or in substitution for, any forms mentioned in the Schedule.
- (8) Generally for the due administration and efficient working of this Act, and the care and comfort of lunatics.

72. Subject to rules made under this Act the forms in the Forms in Schedules Schedule may be used, wherever applicable, with such modifications may be used. as circumstances may require, and if used shall be deemed to be sufficient.
